

How can you get that  
“*Wow, I did something  
Really important*” feeling  
in just 4 short hours?

By volunteering to help  
with CANI Head Start’s annual  
Self-assessment...that’s how!

In just 4 hours, you can help us complete this vital step toward providing the highest quality educational experience for Head Start children and families. *Your part is simple - a brief observation and/or a simple interview.*

**Wednesday, March 7 (Allen County sites) 8:00 – Noon.** A light breakfast and a brief training will be provided at the Achduth Vesholom Temple site, 5200 Old Mill Road, Fort Wayne. You will visit your assigned site after the training.

**Thursday, March 8 (Whitley and Noble Counties) 8:00 AM until Noon.** A light breakfast and a brief training will be provided at the county sites

If you can spare 4 hours to help, please contact: Angie Meenagh
